ABOUT THE AUTHOR — Christine Fowler-Phillips is a Corporate Image consultant, Public Speaker and Author. A top sales and marketing professional in the pharmaceutical industry for over two decades for Fortune 500 Companies like Johnson & Johnson and Bristol Myers Squibb, she holds a B.S. in Marketing, a Masters in Health Policy and a Graduate Certificate in Project Management. Fowler-Phillips is the recipient of a number of leadership awards and is an active member of several women's civic organizations with a focus on social needs, wellness and education in underserved communities. More importantly, she is committed to finding a cure for Cystic Fibrosis.
